Take a Kid Fishing

This is a FREE event open to kids ages 15 & under. It will be held on Sat., June 5th with fishing from 10am-2pm. There will be grab bags and prizes for all the kids. Trophies will be awarded at the end of the event for the largest fish caught in each species. There is also a tagged fish contest. This event is lots of fun for everyone! Mark your calendar and be sure to bring the kids out. Flyers are available at the club to distribute. Please consider helping out promoting the event. **We are in need of volunteers for the day of the event.** For more information, please contact Joe Schwab at 722-4213 or visit www.wiocc.com

Summer Games

Mark your calendar for June 25th and 26th when the OCC will be hosting the Badger State Games again. Friday the 25th will be for the youth to shoot and Saturday the 26th the adults take their turn on the line. We also will be hosting the Archery which will include 3D and Field archery. We are working with Scheels to get Winchester's sharp shooter to perform on that Saturday after the games. So make sure that you get involved by competing in either the Archery or Trap. Let's show the state that the Valley has the top shooters. You can register online at www.badgerstategames.org or onsite the day of the event.

BIG Shoes to Fill

As of July 1st, Greg Hagens will be resigning from his positions at the OCC as he and his lovely wife prepare to move to Minneapolis Minnesota for career reasons and to be closer their daughters. Greg's contributions to the club go beyond his titles, which include Trap Manager, Secretary, and Boating Safety Instructor. He has always been there to help out the club during many events along with his wife and daughters. The OCC will miss the Hagen's as I am sure they will miss the OCC.
